

Q8 T 5000 10W-40

Excellent synthetic Super Tractor Universal Oil (STOU)

Description

Q8 T 5000 is an excellent synthetic based super tractor universal oil. This versatile, single solution oil offers an outstanding performance and excellent protection. Q8 T 5000 leads to cost minimisation when a combined engine oil and farm tractor fluid are needed. The oil meets the API CF-4/SF and several OEM transmission requirements.

Applications

Q8 T 5000 is used as a single lubricant for agricultural vehicles and machinery such as tractors, harvesters, crop sprayers and some construction and materials handling equipment. Q8 T 5000 is used in the engine, final drive and transmission and as a hydraulic-, wet brake- or clutch fluid. The oil meets the requirements of several OEMs.

Benefits

- Excellent transmission lubrication.
- Outstanding hydraulic fluid properties.
- Limits wet brake noise while limiting friction plate wear.
- Excellent response of hydraulic components.
- Excellent anti-foaming properties.

Specifications, recommendations and approvals

ACEA	E3	Ford	M2C 159-C

Properties

	Method	Unit	Typical
Density, 15 °C	D 4052	g/ml	0,874
Viscosity Grade	-	-	SAE 10W-40
Kinematic Viscosity, 40 °C	D 445	mm ² /s	94.3
Kinematic Viscosity, 100 °C	D 445	mm ² /s	13.71
Viscosity Index	D 2270	-	147
Pour Point	D 97	°C	-36
Flash Point, P-M	D 93	°C	194
Borderline Pumping Temperature	D 3829	°C	-30

The figures above are not a specification. They are typical figures obtained within production tolerances.

Remarks

The use of universal oil is advised by some importers and equipment manufacturers. See the instruction manual for the individual machines. Product Data Sheet includes a selection of specifications, for full overview please consult the Q8Oils website.
